

June 9, 2011 **Public Hearing Ordinance/Zoning Map Changes**

**PUBLIC HEARING OF THE TOWN OF CALUMET  
FOR PROPOSED ORDINANCE AND ZONING MAP CHANGES**  
June 9th, 2011, 7:00 p.m. at the Calumet Town Hall,  
W2104 County Road HH, Malone, WI 53049

The Town of Calumet is in the final stages of completing the revision to the Town's Zoning Ordinance and map to comply with the new Chapter 91 Farmland Preservation Credit regulations. This process is also part of the recommended Comprehensive Land use Plan. The zoning ordinance revisions include updating the Town's zoning map and granting a mass conditional use for single family homes zoned Exclusive Agriculture (now called Farmland Preservation) to match and accurately reflect the actual use of the property which can save many citizens the potential conversion fees for correcting zoning classifications in the future. Interested parties can view a copy of the proposed changes to the Ordinances and Zoning Map on the Town's website at [www.townofcalumet.com](http://www.townofcalumet.com). Interested parties should attend this hearing, or if you cannot attend, please contact the Town Clerk, Mary Casper at W934 Sunset Lane, New Holstein, WI 53061.
