

September 3, 2018 **DOR Notice**

The Department of Revenue is reviewing select properties within the township and will be in the area on September 18-19. They will be reviewing residential and agricultural properties in a drive-by fashion, but will be doing on site inspection of 17 commercial properties. This review is being done in Fond du Lac County this fall and is a normal review process completed by the Department of Revenue every 5-10 years for equalization purposes.
